This list of leading temporary-employer/staffing service companies is an approximate compilation of the largest companies in Wayne, Oakland, Macomb, Washtenaw and Livingston counties. Agencies with headquarters in the Detroit area are listed by their total revenue, and agencies with headquarters outside the area are listed by revenue of their local operations only. This is not a complete listing but the most comprehensive available. Office/clerical includes secretaries, office/filing clerks, receptionists, typists, data-entry and word-processing positions; industrial includes manufacturing and factory workers and shipping and receiving positions; technical includes computer programmers and systems analysts, designers, drafters, editors, engineers and illustrators; professional includes accountants, auditors, COOs, paralegals, attorneys, sales and marketing, and management positions; medical includes supplemental staffing for hospitals, nursing homes and outpatient clinics, and licensed, trained and unlicensed home health care professionals (registered nurses, medical technologists and home health aides); marketing includes product demonstrators and telemarketers. NA = Not available. NC = No change.

Ⓞ Percentages may not total 100, as only the top four industry segments are listed for each company.
